- Wood / Finish / Color
plywood white; back bordeaux

- Size
W/H/D 73.8 x 36.6 x 33 cm
Inner height: 33 cm
Inner width: 70cm
Inner depth: 31,6 cm

- Delivery content
1 BOKSA (consisting of 4 plywood elements), assembly material, back wall, assembly instruction

Cable holes: Please state how many back walls should get a cable hole.

Please order case legs, double casters and anti-slip bumpons separately. Optional: adjustable furniture glides to protect flooring and to compensate for uneven floors (Item no. 6310 - Adjustable furniture glides with screw-ins for Boksa, 4pcs set.)

- Material
The modular storage cubes BOKSA consists of 18mm birch plywood with a colored surface. With wooden back panels. Available with cable hole.
BOKSA can be stacked simply by additional anti-slip bumpons.

Short information on plywood: plywood is multilayered and grouted solid wood veneer with a resin-coated surface in different colors. The plywood edges are natural and untreated. Detailed information on the base material and the properties in the material overview.

- Usage
The modular cubic storage system BOKSA transforms into a various selection of different pieces of furniture - as a single cube with double casters BOKSA forms a rollable hifi or TV rack, a flower rack or a flexible side table.
Two or more modules stacked form a spacious shelving unit for folder, books, journals, vinyl records or storage boxes. Transform your BOKSA into a sideboard, lowboard or a highboard - stacked alternately BOKSA functions as a colorful and spacious room divider which can be accessed from both sides.

- Capacity
When used with furniture glides or case legs, 3 modules can be stacked freely. If you like to stack more than 3 BOKSA, a

wall-fixing is recommended. When equipped with double casters we recommend to use only single modules.

- Extras / Special
BOKSA is stackable, rollable and equipped with lots of functional and colorful options and accessories.

- Weight including packing material in kg
12.50
