Price per item: 253.00 €  
(incl. VAT, excl. Shipping)

- Wood / Finish / Color  
ash tree wood; glass clear

- Size  
W/H/D 96.5 x 95.5 x 17.5 cm  
Space between the glass panes: 13.8cm  
Inner width of 43 cm

- Delivery content  
1 shelving unit containing: 14 tempered safety glass panes,  
2 solid wood sides, 1 solid wood middle element, aluminum  
rods, threaded rods, assembly material, assembly  
instructions

- Material  
The wooden side elements - made of one piece of solid  
wood - and the aluminum rods form a stable frame, which  
can easily be mounted to any wall with concealed fittings.  
The frame holds 14 tempered safety glass panes and  
thereby provides about 6m of space for your CD collection.  
(6m = total of the glass panes overall length).  
The wood's surface has been sanded finely and left  
naturally. Thus, it may be finished with a colorful varnish or  
a lacqueur.

- Usage  
The CD shelving unit can be mounted easily to any kind of  
wall. It is also suitable for the kitchen as a spice rack or as a  
kitchen shelf or in the hallway as a shelf for gloves, hats,  
shawls or similar.

- Capacity  
The shelves have a storage capacity of ca. 600 standard  
sized CD cases (jewel cases).

- Extras / Special  
Concentrated on the essential elements - this cd shelving  
unit captivates by unobtrusive presence in high quality  
materials at a maximum capacity on small space. The  
slender construction gains high stability through the frame  
and the wall-mounting fittings. An extraordinary piece of  
media furniture - exclusively available at  
WOODandMORE.

- Weight including packing material in kg  
20,50
