cherry tree; glass clear

- Size
W/H/D 96.5 x 95.5 x 17.5 cm
Space between the glass panes: 13.8cm
internal width of 43 cm per wood to wood element

- Delivery content
1 shelving unit containing: 14 tempered safety glass panes, 2 solid wood sides, 1 solid wood middle element, aluminum rods, threaded rods, assembly material, assembly instructions

- Material
The wooden side elements - made of one piece of solid wood - and the aluminum rods form a stable frame, which can easily be mounted to any wall with concealed fittings. The frame holds 14 tempered safety glass panes and thereby provides about 6m of space for your CD collection. (6m = total of the glass panes overall length). The wood's surface has been sanded finely and treated with an ecological oil.

- Usage
The CD shelving unit can be mounted easily to any kind of wall. It is also suitable for the kitchen as a spice rack or as a kitchen shelf or in the hallway as a shelf for gloves, hats, shawls or similar.

- Capacity
The shelves have a storage capacity of ca. 600 standard sized CD cases (jewel cases).

- Extras / Special
Concentrated on the essential elements - this cd shelving unit captivates by unobtrusive presence in high quality materials at a maximum capacity on small space. The slender construction gains high stability through the frame and the wall-mounting fittings. An extraordinary piece of media furniture - exclusively available at WOODandMORE.
