(incl. VAT, excl. Shipping)

- Wood / Finish / Color
cherry; glass clear
cherry; glass satinated [+50.00EUR]

- Size
B/H/T 107 x 94 x 30 cm
Glass panes B/H/T ca. 100 x 30cm
Inner height ca 34cm

- Delivery content
1 console table (disassembled) - consisting of 2 side elements, 4 squared timber frames, 2 glass panes, assemble material, assemble instruction
Decoration is not included.

- Material
Console table made of solid cherry tree wood in combination with tempered ESG safety glass. The side frames are firmly glued and are connected to the cross-beams by means of stable, nickel-plated screws. The glass panes are placed on the upper and lower side of the transverse frames. Transparent rubber pad buffer prevent slipping and rattling of the glass panes.

- Usage
Console table perfect for small and narrow interiors - such as corridors, hallways, walk-through areas.

- Capacity
Ideal as a piece of furniture for magazines, vases, telephones, picture frames, decoration and presentation objects. Collectors' items and memorabilia.

- Extras / Special
Uniquely slim and unostentatious, the console table offers plenty of space on two large glass floors without appearing bulky. Ideal for narrow spaces and areas such as the corridor or walk-through areas of the living room.

- Weight including packing material in kg
22.00
