Price per item: 25.60 €  
(incl. VAT, excl. Shipping)

- Wood / Finish / Color  
glass transparent

- Size  
70 x 30 x 0.8 cm

- Delivery content  
1 glass pane, 4 fixings, assembly material, assembly instructions

- Material  
Safety glass is a toughened glass, which shatters into small blunt pieces when broken, so that the risk of injury is reduced in comparison to ordinary glass. Safety glass is elastic as well as shock and temperature resistant.

- Usage  
Glass pane suitable for BOKSA cubes. Can be fastened in different heights thanks to flexible fixings.

- Extras / Special  
The perfect addition to your BOKSA shelving unit. Equip your BOKSA with this glass pane und you gain additional storage spaces for e.g. a functional hifi or TV furniture for your multimedia equipment.

- Weight including packing material in kg  
6.30
