plywood white; color
plywood white; white

- Size
B/H/T 105 x 199 x 34
Compartment size: B/H/T 33 x 35 x 33 cm

- Delivery content
1 shelving unit extension element with 2 middle sides (with both-sided drill holes) and 11 bottom shelves. Angle brackets, adjustable furniture glides, assembly material, assembly information (Delivery without records)

Available back walls:

Set 1 - colored: 2 x either teal, burgundy or charcoal
(Please note the desired color at the last step in the ordering process. Or simply send an email. Thank you.)

Set 2 - white: 2 x white

Note: The extension module may only be used in combination with the main module.

- Material
Records shelving unit made of 15mm multiplex in white. Grooved back panels (RW) by colored wood pulp or in all white. The floors and sides are joined by quality metal fixings and metal screw-in - no screwing visible from the outside! Recommended to be wall mounted with the enclosed angle brackets. Including height adjustable furniture glides.

- Usage
Records shelf, LP - shelf, filing shelf, shop shelves, living room shelf, bookcase, office shelf

- Capacity
When using all shelves of the extension element - 9 shelves are created plus 2 open compartments. Each shelf has room for about 80 records - a total of 720 records. Total load maximum 220kg (depending on floor).

- Extras / Special
Delicate, large volume shelving unit made of extremely sturdy birch plywood. Endless expandable. With adjustable furniture glides to unevenness in the floor. Accented by rear walls in trendy colors or in a discreet white.

- Weight including packing material in kg
32.00
