- Material
The QUADRA vinyl record shelving unit consists of solid square timber and aluminum tubes, which form a stable wall-mounted framework. The framework holds 3 large tempered safety glass panes with a thickness of 0.8cm. The wall-mounting is realized by concealed fittings. The shelving unit gains further stability through adjustable furniture glides, which allow the shelf to be fitted to uneven grounds. The wood's surface has been sanded finely.

- Usage
LP-shelf, shelving unit for vinyl records, LP storage

- Capacity
approximately 256 LPs / Vinyl records
total maximum weight load: max. 50kg

- Extras / Special
QUADRA storage shelving unit for vinyl records comes with a hidden wall mounting. With 3 security glass panels. Slender, graceful shelf - made of massive cherry wood, glass and aluminium. The frame is wall mounted by hidden fittings and holds 3 large tempered safety glass panes. The slender construction and unobtrusive design allows deep insight into the shelf and provides lots of storage space for your LP collection.
