From 2 Pieces/ Sets: 445.00 €
(incl. VAT, excl. Shipping)

- Wood / Finish / Color
cherry; glass satinated [+72.00EUR]

- Size
W/H/D 198 x 85 x 30 cm (edge of glass panes)
Space between glass panes 34 cm
Inner width 78 cm

- Delivery content
1 shelving unit containing: 6 safety glass panes, solid wood elements, adjustable furniture glides, aluminium rods, threaded rods, assembly material, assembly instructions

- Material
The QUADRA shelving unit consists of solid square timber and aluminum tubes, which form a stable wall-mounted framework. The framework holds 6 large tempered safety glass panes with a thickness of 0.8cm. The wall-mounting is realized by concealed fittings. The shelf gains further stability through adjustable furniture glides, which allow the shelf to be fitted to uneven grounds.
The wood's surface has been sanded finely and treated with an ecological oil.

- Usage
The tempered safety glass panes with their 30cm depth are especially designed to store folders. Therefore the QUADRA shelving unit is perfectly suitable for your office area. Naturally, besides folders you can also store books, vinyl records, clothes, boxes and lots more.

- Capacity
Each glass pane can be burdened with 20kg evenly on a permanent base.

- Extras / Special
Concentrated on the essential elements - the QUADRA shelving unit captivates by its unusually delicate but highly stable construction. The high-quality materials - solid square timber, aluminum and glass - are deliberately put into contrast. This contrast lets QUADRA impress as a modern piece of furniture with classical elements.

- Weight including packing material in kg
41.50
